

# WIC Zoom Video Appointments

Get Started—It is Easy!

# WIC offers some appointments by Zoom video. These video appointments are secure.

**To use Zoom for a WIC video appointment, you need:**

A smartphone, tablet or computer with a camera and microphone.

A good internet connection.

The Zoom App if using a smartphone or tablet.

**WIC contacts you** to schedule a video appointment.

**You get a text or email** from your WIC office, before your appointment, with a link and information to check-in.

Simple Steps  
to Connect:

1

**Before your appointment time,** you must download the Zoom App if using a smartphone or tablet. The app is available in the App Store or Google Play. You can join in a browser if using a computer.

2

**At your appointment time,** go to your text or email message from WIC. Click the link to join the Zoom video appointment.

3

**Once you click the Zoom link to join**, your Zoom App will open. If this is your first time using Zoom, enter your name. For privacy, you can enter your first name only.

**You are now in the video call waiting room** until your WIC counselor starts the video appointment. Be sure to join audio and allow Zoom to access your camera and microphone.

**We are excited to provide many WIC services to you using video appointments!**
